Office of Public Works, Dublin,
2 April 1851.

Sir,

In obedience to the commands of His Excellency the Lord Lieutenant, conveyed in your letter of the 24th instant, I have the honour, by desire of the Commissioners of Public Works, to forward herewith,

A detailed account of the expenditure of the sum of 30,000 £., granted in the year 1845, for putting Maynooth College into repair;

And, detailed account of the sum of 5,728 £. 17 s. 9 d., the total amount of the grants voted from the year 1846 to the year 1850, inclusive of both years, for repairs and maintenance of Maynooth College. No estimates were prepared when the plans were originally sent in by the architect. Subsequently, when the tenders in detail were received, it became necessary to alter the plans, by omitting the chapel and examination-hall, so as to admit of the additional accommodation for professors and students, required by the Act of Parliament, being provided with the funds voted, viz. 30,000 £.

The plans have been already laid before Parliament, in the Sixteenth Report of the Commissioners of Public Works, presented to both Houses, and printed in 1848.

I have, &c.

Sir Thos. N. Redington, K. C. B.,
&c. &c. &c.
